

VIRTUAL TASTING FAQs

To our amazing customers & newlyweds,

Out of an abundance of caution and compliance with Governor Wolf's restrictions we will be suspending all in person tasting appointments until tentatively May 9th. If you have a wedding within this time period, we are happy to deliver a tasting plate to your door at no extra charge. At this time, April 21st will be the starting point when you are welcome to come to our store location and pick up your tasting plate.

Sweet regards,

Bredenbeck's Bakery Crew
